

**Nevada State Women's Golf Association
General Meeting, June 25, 2001**

The meeting which was held on the patio at The Las Vegas Paiute Golf Resort following the first day of the 2001 Partners Tournament was called to order by President Sherry Jackson.

Pat Rhoads presented the financial report (copy attached). Brenda Knott complimented Pat on her excellent job of dealing with our records, adding that Pat's good work has enabled Brenda to prepare our tax work in much less time.

In a discussion regarding our state Amateur Championship, September 11-13 at Wolf Run Golf Club in Reno, it was suggested that additional entry blanks be placed at the registration table and that we should encourage members to play in the event.

Consideration of future sites: The state Amateur Championship will be held in 2002 at the Casa Blanca resort on September 5-7.

Anthem Country Club in Las Vegas will be the location for the Silver Cup Matches in the third week in May in 2002.

The Genoa Lake Club in northern Nevada is being considered for 2002 Partners, possibly in July.

There was a brief discussion of the break down of pay-offs for the present tournament, and an introduction of the idea of attempting to hold a four-ball tournament in the future. Generally the idea was well received and positive thoughts were expressed. Brenda Knott thought that possibly it could be held at Primm.

Before the close of the meeting, a short discussion of the dress code for our state Amateur Championship was introduced and it was agreed that we should follow the guide lines of the club on which we conduct the tournament.

The meeting was adjourned by President Sherry Jackson.

Berta Kirchner, Secretary
